

Pazzon 5Genius Pro

Portable 5G Wi-Fi 6 Router with RJ45 Port

Thank you for choosing the Pazzon 5Genius Pro — a pocket-sized 5G WiFi 6 router built to keep you connected anywhere. This guide will get you online in minutes.

What's in the Box

- 1 x Pazzon 5Genius Pro device
- 1 x Rechargeable battery (4500mAh)
- 1 x USB-C charging cable

Quick Start — Power On

- Open the back cover, insert your 5G/4G SIM into the slot located below the battery, then refit the battery.
- Long-press the power button (the only button) to switch the device ON. Long-press again to switch OFF.
- The LCD screen shows network name, signal, battery and your WiFi details.

Connect in 10 seconds

Press the power button to cycle the screen and reveal scannable QR codes for the 2.4GHz and 5GHz WiFi networks — just scan with your phone camera. The WiFi name & password are also printed on the screen and on the back of the device.

Router Settings & Configuration

Connect to the device via WiFi or LAN cable, then open a browser and go to:

192.168.100.1

Default username & password: admin / admin

From the admin panel you can configure:

- Network mode: Auto, 5G-only or 4G-only
- Band selection — lock to a specific 4G/5G band
- TTL setting & Port Forwarding
- Firewall and security controls
- Send & receive SMS, and Auto-Sleep settings

Ports & Battery

- USB-C and RJ45 (Gigabit LAN) ports are on the bottom of the device. USB-C also supports tethering.
- Battery lasts 7-10 hours. Use the LAN port for CCTV/NVR or to wire a router/modem directly.

Warranty & Registration

- 6 months standard warranty included with your purchase.

Get an additional 6 months FREE — simply register your product at <https://www.pazzonhub.com/register-product>

A Note on Speed Tests

Speeds depend on your carrier's coverage. A speed test on a phone connected to this device may read slightly lower than testing directly on a 5G phone — this is normal (the test runs over WiFi on a secondary device). Real-world browsing, streaming and downloads stay smooth and consistent.
